Section 3. Notwithstanding any other provision of Fentress County's ordinance, the following shall apply to a project:

(1) Fentress County, Tennessee has:

(A) Adopted an efficient and streamlined policy for reviewing applications and issuing permits related to projects relative to broadband services.

(B) Appointed a single point of contact in the Fentress County for all matters related to a broadband project;

(C) Established procedures to allow all forms, applications, and documentation related to a project be reviewed and either approved or denied within thirty (30) business days after the application is submitted; and to allow the project to be filed or submitted and signed by electronic means, where possible;

(2) Fentress County will not:

(A) Require an applicant to designate a final contractor to complete a project;

(B) Impose an unreasonable fee for reviewing an application or issuing a permit for a project. The fee will not exceed one hundred dollars (\$100);

(C) Impose a seasonal moratorium on the issuance of permits for projects; and

(D) Discriminate among communications services providers or utilities with respect to any action related to a broadband project, including granting access to public rights-of-way, infrastructure and poles, and any other physical assets owned or controlled by the political subdivision

(3) Fentress County acknowledges that:

(A) Tennessee Certified Broadband Ready Community has an affirmative duty to notify the Tennessee Economic and Community Development Department (TNECD) of any changes to the information submitted as part of its application.

(B) Failure to notify TNECD of changes may result in revocation of Fentress County's Broadband Ready Certification.
